Sir,

I have the honor to state that the Mahomadan residents of the Basavangudi Extension have been urging for the grant of suitable land for building a mosque and a school in their midst They live too far away from the City to enable them to make use of similar institutions existing in the City

2. Finding that there was a necessity for a mosque and a school in the locality inhabited by the Mahomadans, I have, during the recent sale of sites at Basavangudi, reserved four ordinary house sites measuring in all 2866$\frac{2}{3}$ square yards, in the Mahomedan Block for the purpose

3 In the Malleswaram Extension a suitable site has been granted in the Mahomadan Block for building a mosque, free of cost

4. I request that similar concession may be granted in the case of the Mahomadans of the Basavangudi Extension also and the allotment of the sites referred to above sanctioned free of cost for the purposes indicated
